

Optional Extras Itemised List for the Equihunter Endurance

Fixtures & Fittings

No.	Description	Sale Value	Notes
1	Corian worktop with upstand to kitchen area. This comes with an integral Corian sink and Corian sink cover (drainage kit included) plus milled drainage grooves. This upgraded price also includes the Living Area Table Top & also the Bathroom Sink Vanity Unit Top	£1,650.00	Standard fitting is ply board worktop with laminate finish with client choice of colour finish
2	An 800W microwave is fitted as standard but alternate units can also be supplied as an upgrade to our clients instruction. The price will be dependent on model chosen	TBA	PLEASE Note: An 800W microwave is a standard fitting
3	Dometic Ceramic LPG Gas Cooktop with 12v spark ignition fitted (2 x Hot Zones plus 2 x Warming Zones). All gas fixtures & fittings come with a GAS SAFE certificate after installation by a qualified LPG technician	£1,425.00	The standard unit is one piece Combi Gas Hob and Gas Oven by Spinflo. This unit has a glass lid and is stainless steel with a black or stainless finish.
4	Designer Spring Style mixer tap with pull out wash hose surcharge	£187.50	Standard unit is post style mixer tap in chrome finish
5	New Style Spinflo Separate Gas Oven with integral grill and foldaway door, surcharge of	£162.00	We add a surcharge here to reflect the extra cost of the upgraded standalone oven unit when fitted with the Dometic Ceramic Gas Hob
6	12v Cigarette Lighter Style Power Outlet to Seating Area Fitted	£45.00	Great for powering phone and pad chargers without hook-up of generator power being used. This socket can also be used for running a laptop with the correct adapter or even a coolbox to supplement the fridge capacity
7	Shower Room Wall Clad in Half Height Full Gloss Laminated Finish (with Dado Rail)	£105.00	Adds to the luxury decor effect
8	Shower Room fixtures set fitted in stainless steel. Set includes Toilet Roll Holder, Towel Hook, Soap Dish with Glass Dish plus a Glass Tumbler Holder	£115.50	Not added as standard only because of the varying needs and wishes of individual clients
9	Electric Clock and Barometer set with chrome finish fitted to living area wall	£112.50	A bit of bling but it does finish off the living nicely and is practical for reading living area temperatures and weather trends
10	Leather trim to Cab Seat Backs (priced for all 3 seats)	£90.00	Standard price includes leather covered seat fronts only with piping in contrasting colour
11	Cab exterior new aero style drivers Rear View Mirror Set fitted & colour matched to body or trim paint	£825.00	Dependent on vehicle chassis used these may come already fitted (example 2008 Iveco 75E series lorries now fitted with these sets as standard) an can be painted in colour matching paint to body or left in a black plastic finish (deduct £125 for no painting)
12	Plastic fitting covers for Rear View Mirror Sets above	£60.00	Not supplied by original manufacturer
13	Cab Seat Headrests (guide price dependent on Chassis make chosen)	£127.50	Some chassis cabs are bought without head rest sets to the cab seating (x 3 required). Leather covering of the headrests is included with the seating in the standard specifications
14	Alternate Clients own Logo* to Leather Covered Cab Seat Headrests (price is for 3 seats)	£120.00	* The EQUHUNTER logo is included free to the client on all 3 seats or seat headrests, if the client so wishes
15	Gas Rams to all Locker Doors (instead of S/Steel Hold Back Latches)	£225.00	Both Horizontal and Vertical opening locker doors hold back with the standard Stainless Steel latch pictured. The Gas Ram upgrade means doors are self opening once activated
16	External LED Overhead Front Door Light Fitting	£82.50	Standard spec is no external light fitted
17	External inset LED Lights to Main Steps	£60.00	Standard spec is no step lights fitted
18	Extra Water Holding Tank (Doubles Standard 125 litre tank)	£270.00	Only necessary for competitions of several days in length
19	Manual water filler inlet with locking cap	£52.50	Standard specification allows for low level hose filler at domestic pressures using standard 'Hozelock' hose attachments. This separate inlet allows for container filling by hand or by a loose hose. Water purification additives can also be easily added through this access point
20	Horse Area Polyurethane Headboards Drilled for Horse Visibility	£120.00	In the standard specification the polyurethane headboards are undrilled
21	New Style Twin Ramp Gates (Edge to Edge Closing, not Overlap Style) with Polished Steel Sprung Locking Support Poles (Surcharge)	£150.00	Allows for greater security and strength of structure in use
22	LED Roof Lighting to Horse Area (white with additional blue tone night running lights)	£90.00	Standard fitting is 12v incandescent light sets
23	Horse tie up paint protection sheets to offside vehicle sides including fitting studs	£75.00	A padded option is also being developed, pics available upon request soon.
24	Rear Facing Docking Lights to both offside and nearside rear base panels, colour matched to body paint	£225.00	These operate when reversing to illuminate the vehicle rear and sides, can be left on when loading and unloading in the dark
25	LED Spotlight to Horse Area (surcharge)	£45.00	This is an upgrade on the standard incandescent spotlight usually fitted. Four times brighter with less than a quarter of the power consumption in use.
26	2Kg Powder Fire Extinguisher behind Drivers Seat	£29.25	Fitted on the cut through wall and suitable for all types of fires
27	Cut Through Panel Cushion Seat in matching leather with contrasting piping	£67.50	This long leather covered cushion in matching leather with contrasting piping sits neatly on the cut through to the cab and is not only decorative but also acts as a small extra seat
28	Gas BBQ LPG Outlet point with click lock flap (colour matched to body paint)	£150.00	This great optional extra allows direct access to the on-board 75 litre LPG tank to run a BBQ. No heavy gas bottles to carry around on-board
29	Lap Belt to Living Seat (price per belt)	£90.00	For extra security and compliance
30	Upgraded Wheel Trims (Euroliner style) (surcharge)	£225.00	Standard trims (pictured) are of a lighter weight material and are less detailed than the Euroliner sets
31	Walnut Dash Trim Kit	£375.00	This is a decorative addition to the cab and can lighten a sometimes drab commercial fascia area
32	LED Blue Lighting to Kick Plinth to Kitchen Area units (other colours available)	£60.00	Great for low light conditions where overhead lighting can be obtrusive
33	Entrance Hall Full Length Mirror	£97.50	The square mirror above the seating area is included in the standard specification
34	Extra Cushions for Seats in matching leather or cloth material (price per cushion)	£45.00	Available in a range of styles and colours to clients choice
35	Grammer Kingman Air Cushion Seat (price fitted)	£1,587.50	For long distance driving this is a must. A costly item but well worth the money (This is a personal recommendation from my own use of this great commercial drivers seat)
36	Drivers Seat Air Supply Hose Kit	£33.75	This supplies the air power to the seat item above
37	Rear Full Width Mud Flap	£105.00	Made of solid rubber, this helps eliminate dirt and water getting onto the rear ramp door during the winter months and wet driving conditions
